

Advanced Professional Trainer Techniques

Advanced Training for Trainers

Target Training Associates will equip your workforce with the necessary skills to drive your business forward and stay ahead of the competition

Take your training skills to the next level with our 3-day Advanced Professional Trainer Techniques Train the Trainer course. If you need to deliver training to a very high standard this course is for you and covers:

- Advanced facilitating skills
- Advanced questioning techniques
- Myers Briggs Type Indicator (MBTI)
- High level communication skills
- Dealing with challenging groups and individuals
- 1-2-1 and group delivery/structure
- Virtual and IT based delivery
- Training design and the training cycle
